Livestock Taiwan Expo & Forum brings together international manufacturers to showcase husbandry state-of-the-art technologies and niche products of livestock husbandry industry. It is an exclusive livestock trade show which provides a great opportunity to see the world in Taiwan and Taiwan in the world.

Why Exhibit Livestock Taiwan?
- 70% exhibitors are positive of the show and will re-join for 2019
- More than 22,000 efficient buyers locate in both Taiwan and Southeast Asia countries. It is believed to be a great gate way to explore the new markets.
- A hub to look for strategic partnership and create new business models
- New platforms to discover new ideas and concepts to shape your business, such as Breed Pavilion and Start-up Pavilion for 2019.
- Engage with associations and industrial community locally and internationally
- Over 40 thematic conferences and forums to keep your knowledge and technology awareness up-to-date
- To promote brands and expand your business via high-efficient one-on-one business matchmaking programme

Why Exhibit Aquaculture Taiwan?
- UBM Asia, a reliable brand with nearly 20-year experience in organizing Aquaculture Expo, possesses numerous resources and networks of international buyers.
- A platform to display the strength of breeding and farming technology in aquaculture. The best international trading platform to promote your brands and cutting-edge products.
- A good timing to take pre-emptive opportunity to seek partnerships while strengthen development of R&D technology and industrial automation.
- The trend of antibiotic-free farming triggers the development of biological technology applying to water treatment additives, such as the use of probiotics, natural mineral, and plant extracts.
- To build social networks with local aquaculture associations, importers & exporters and cooperate with over 40 organisations & associations in Taiwan.

Features:
- A perfect platform to meet ideal buyers and strategic partners via UBM Asia network, especially to those whom target Asian market. Our widespread of international media coverage and promotion include China, Japan, India, Korea, Turkey, Indonesia, Malaysia, Singapore, Thailand, Singapore, Brunei, Cambodia, Laos, Myanmar, Vietnam, Sri Lanka, and many more.
- Various satellite events to strengthen industry players’ social networking:
  - Conference and forum: Provide the latest market information in academic research and business discussion
  - Technical seminar: Product launches for branding companies
